Detailed Action

Allowable Subject Matter

1. Claims 1-3, and 5-30 are allowed.

Reason For allowance

2. The following is an examiner's statement of reason for allowance:

None of the prior art, either singularly or in combination, teaches or fairly suggests applicant's claimed invention wherein the applicant recited "a converter in communication with the feature identifier and configured to convert fingerprint features identified by the fingerprint scanner into a private key code", "the converter is configured to convert fingerprint features identified by the fingerprint scanner into a private key code, wherein the private key code includes at least one digit for each feature identified by the feature identifier, each digit having a value representing a degree of the fingerprint feature associated with that digit", and "creating a public key code using the fingerprint data".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
